

# Mayor Domenic J. Sarno's City of Springfield COVID-19 Situational Update

**Thursday, April 30, 2020**

Mayor Domenic J. Sarno, in the best interests of our residents and business community, continues his daily morning meetings with his cabinet heads as they work 24/7 to facilitate and coordinate with all of our local, state, federal, and public and private partners in response to the COVID-19 situation.

Below are the most recent updates as reported from each City Departments.

## **Mayor's Office**

- Continues to coordinate the city's efforts with all stakeholders (state, federal, hospital and medical facilities, public and private partners, etc.) in response of services and relief and recovery measures.
- Continuing to monitor the COVID-19 situation closely so that we do not reopen and ease our prudent measures too early, which could potentially expose our residents to a second wave of the virus.
- Continues to stress the need for additional target testing before any talk about reopening can be considered, in order to build strong public, business, consumer, and hospital confidences to identify, isolate, contact trace, mitigate and heal potential hot spot areas.
- Continuing to review the health measures and facility needs for municipal buildings to begin phased reopening to the public - will adhere to state guidance and recommendations
  - Temperature check before entering
  - Hand sanitizer at each entrance and exit
  - Limiting entrances and exits to a minimum within building and fire code
  - Install protective health measures at locations where the public gathers and interacts with city staff
- City Hall utilizing thermal infrared thermometers to proactively protect and preserve our workforce
- Heartfelt thank you to our Springfield Community for stepping up with PPE donations, allowing the city to outfit our dedicated police, fire and frontline workers with the appropriate safety equipment
